

## Details

**Who can Attend:** If you are a guy over 21 you 're welcome: Dads of campers, CSS Alumni, CSS supporters, your friends and associates — spread the word!

**Camp Hours:** Happy hour kicks off on Friday at 4:00pm, camp breaks on Sunday afternoon.

**Cabin Assignment:** We will have use of the cabins in the new boys building. Assignment will be made on your personal/professional preferences and by "cabin captains".

**What to bring:** Bring a sleeping bag, pillow and/or bedding and blankets. Bring your own towels and toiletries. You may want to bring whatever sports equipment you want to use. Camp has equipment but it may not be in the best of shape. Please bring a kippah and tallis for davening on Shabbat.

**Libations:** We are asking everyone to bring a bottle (or two) of their favorite spirit to help stock the Open Sports bar in the Bet Am (of course if you don't drink then don't worry about this item). We'll supply ice, cups, snacks, kosher wine for kiddush and some mixers.

**Shabbat Observance:** Men's Camp will follow the "Spirit of Shabbat" minhag... Relaxation... Kabbalat Shabbat and Havdallah services are planned, we also hope to have a Shabbat morning minyan if we have 10 mensches. Festive Shabbat Meals will be served on Friday and Saturday. There will be no work on Shabbat at Camp! Hopefully you can refrain from laptops and cell phones as well.

**Parking:** We are asking that you not drive into the Camp cabin/hadar area after sunset Friday and to park in the lot on the road into camp. If you plan to drive to the golf course or during Shabbat for any reason, please park outside the camp gates.

**Pet policy:** No pets allowed at Men's Camp.
