Dear CBS/CSS First Time Campers Donor,

Thanks for donating money so that I could go to camp. It was very fun. I enjoyed meeting new friends, boating, swimming, and playing fun games on the river trip. I love everything about Camp Schechter: the lake, the food, doing t'ffilah outside, and the friends I made there. I keep in touch with them on email. Camp Schechter is one of my favorite places to be. Thanks so much!

Cheers,
