

2024 Women's Getaway | Packing List

From art projects to hikes, trips up the climbing tower, GaGa, boating, and so much more, there is a lot going on at Women's Getaway, and we want to make sure that you pack accordingly.

Please do not bring valuable or sentimental items to camp. Camp is not responsible for lost or broken items.

Camp has a lot of uneven and rocky terrain, and is located on a hill. Please wear shoes that you can move around in. We do not recommend bringing high heels nor platform shoes. All of the buildings and cabins used during the weekend are heated. However, you will be walking between buildings and we want you to be comfortable. Please pack accordingly- a suggested packing list is below. Camp weather can vary and get cool at night.

Clothing

There is a new tradition at camp to wear white for Shabbat. Please bring white clothes for Shabbat if you are able. We wear something a bit nicer on shabbat than the rest of the week to make Shabbat that much more special.
